

Youth Ambassador Programme For Tertiary Students

BACKGROUND

VM Group began operations with The VM Building Society (VMBS) which first opened its doors in 1878. Our founders, a group of clergymen, led by then Rector of the Kingston Parish Church, Reverend G.W. Downer, formed VMBS with a vision of "meeting the needs of the deserving thrifty".

VMBS' founding fathers had a goal of finding a way to partner with industrious, but financially excluded Jamaicans, to assist them with savings and home acquisition. Now, over a century later, VM Group has evolved into a Strong Integrated Group, comprising several companies, offering a suite of financial services to include savings and mortgages, wealth management, pension fund management, money transfer services, real estate services and general insurance.

We are committed to improving quality of life and has embarked on a Financial Education To Empower (VM FETE) Youth Ambassador programme to empower our youth to make wise financial decisions that will lead to greater financial wellbeing.
